## IMPORTANT INFORMATION FOR HORSE OWNERS – VACCINATION REMINDERS

We are aware of some cases where horses have missed vaccinations. This may not be a concern if you do not compete, but if you do want to take your horse to shows or competitions, overdue vaccinations can be an expensive and frustrating problem.

It is very important that vaccinations are administered on time. Please make a note in your diary or calendar when the next vaccinations are due and do not leave it until the last minute to arrange for us to visit.

Howells Veterinary Services Ltd. is no longer sending reminders for horse vaccinations. Too much reliance has been placed upon this aide memoire.

Individual requirements are so varied and the potential implications of going overdue are so extensive that we have decided that it is no longer feasible to provide this courtesy service.

The responsibility to ensure that vaccinations are administered on time remains with the owner or trainer and Howells Veterinary Services Ltd. does not accept liability for vaccination programmes which have lapsed.

Please click on “[vaccinations](#)” for further details about horse vaccinations.
